Town Warrant

COMMONWEALTH OF MASSACHUSETTS
FRANKLIN, ss.

To either of the Constables of the **Town Of Northfield** in the County of Franklin. Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said Town, qualified to vote in elections and in Town affairs, to meet at the Town Hall in said Town, on Monday, February 5th, 1934, 10 o'clock in the A. M., then and there to act on the following articles:

Article 1 To choose a Moderator to preside at said meeting.

Article 2 To hear the reports of the several town officers and act thereon.

Article 3 To choose all necessary town officers for the ensuing year, the following to be on one ballot: Town Clerk, Town Treasurer, three Selectmen for one year, one Assessor for three years, two Library Trustees for three years, one School Committee Member for three years, one Cemetery Commissioner for three years, Tree Warden for one year, Tax Collector for one year and four Constables for one year.

Article 4 To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1934, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1934.

Article 5 To see if the town will raise and appropriate a sum of money to be used by the Tree Warden in the care and preservation of shade trees or act thereon.

The Finance Committee recommend $100.

Article 6 To see if the town will raise and appropriate a sum of money for lighting the streets, or act thereon.

The Finance Committee recommend $2900.

Article 7 To see if the town will raise and appropriate a sum of money for oiling, or using some other material to lay the dust on the principal streets or act thereon.

The Finance Committee recommend $1000.

Article 8 To raise and appropriate such sums of money as shall be necessary to defray town charges for the ensuing year or act thereon.

The Finance Committee recommend the following appropriations:

Schools	**$31,500**	**School Committee Salary**	**$150**
Treasurer	**350**	**State Aid**	**50**
Treasurer's expense	**50**	**Contingent**	**1,200**
Bridges	**300**	**Inspection of Meat & Slaughtering**	**200**
Soldier's Relief	**500**	**Elections**	**200**
Alexander Hall	**50**	**Int. on Temp. Loans**	**250**
Snow Removal	**1,500**	**Fire and Casualty Insurance**	**1260**
Inspection Animals	**125**	**Sealer**	**100**
Fire Department	**750**	**Accountant Salary**	**400**
Department of Public Welfare	**6,000**	**Accountant Exp.**	**20**
Town Clerk	**200**	**Munn's Ferry**	**200**
Town Clerk Expense	**50**	**Town Hall Care**	**1,500**
Selectmen's Salary	**600**	**Alexander House and Barn**	**150**
Old Age Assistance	**4,500**	**Assessors**	**600**

Article 9 To determine the salary of the Tax Collector or act thereon.

The Finance Committee recommend $400. Expense $100.

Article 10 To see if the town will empower the Selectmen to defend the town in any suit brought against the town or act thereon.

Article 11 To see if the town will raise and appropriate a sum of money to be used in the extermination of the Gypsy Moth or act thereon.

The Finance Committee recommend $600.

Article 12 To see if the town will raise and appropriate a sum of money to defray the expenses of a Community Nurse, or act thereon.

The Finance Committee recommend $1200. salary, $25 expense.

Article 13 To see if the town will raise and appropriate a sum of money to be used in putting up railing or act thereon.

The Finance Committee recommend $200.

Article 14 To see if the town will raise and appropriate the sum of $3480. to pay the interest and note due on the Town Hall debt or act thereon.

The Finance Committee recommend $3480.

Article 15 To see if the town will raise and appropriate the sum of $1000. for a reserve fund for the current year, or act thereon.

The Finance Committee recommend $1000.

Article 16 To see if the town will raise and appropriate the sum of $300. for the care and preservation of Cemeteries, or act thereon.

The Finance Committee recommend $300.

Article 17 To see if the town will authorize the Selectmen to enter into contract with the Board of Public Works Division of Highways for repair and improvement of roads and Highways exclusive of State Highways and raise and appropriate the sum of $175. per mile for that purpose or act thereon.

The Finance Committee recommend $11,550.

Article 18 To see if the town will raise and appropriate a sum of money for the use of Dickinson Memorial Library, or act thereon.

The Finance Committee recommend $900.

Article 19 To see if the town will raise and appropriate any sum of money to co-operate with the State and County in building a section of permanent Highway on Mount Hermon Station road in accordance with Chapter 90 of the General Laws or pass any vote or votes in relation thereto.

The Finance Committee recommend $4000.

Article 20 To see if the town will raise and appropriate a sum of money for Memorial Day Exercises, the same to be expended under the direction of the Sons of Union Veterans and American Legion or act thereon.

The Finance Committee recommend $100.

Article 21 To see if the town will accept the layout and authorize construction of a Highway through land of Mrs. Nellie Adams in West Northfield in accordance with a plan filed with the Town Clerk by the Selectmen January 15, 1931, make any appropriation for the same or pass any vote or votes in relation thereto.

Article 22 To see if the town will raise and appropriate a sum of money to pay the Constables of the town for Police Services or take any vote or votes in relation thereto.

The Finance Committee recommend $150.

Article 23 To see if the town will vote to instruct the Selectmen in the interests of law enforcement for the town to appoint as Chief of Police for the ensuing year the man selected by the voters here present, raise and appropriate a sum of money for that purpose or take any vote or votes in relation therto.

Article 24 To see if the town will vote to pay a bounty of twenty cents each on hedge hogs and raise and appropriate the sum of $25. for that purpose or take any vote or votes in relation thereto.

The Finance Committee recommend $15.

Article 25 To see if the town will raise and appropriate the sum of $25. for the use of the Library at Northfield Farms or act thereon.

The Finance Committee recommend $25.

Article 26 To see if the town will raise and appropriate the sum of $115.55 to pay unpaid bills of 1933 or take any vote or votes in relation thereto.

Article 27 To see if the town will appropriate the sum of $150. to gravel the road in the Center Cemetery this amount to be charged to the Cemetery Lots Fund or act thereon.

The Finance Committee recommend $150.

Article 28 To see if the town will vote to raise and appropriate the sum of $800. for School House repairs or act thereon.

The Finance Committee recommend $800.

Article 29 To see if the town will contribute the use of such land as may be necessary to provide a public play ground in the rear of the High School and Alexander buildings provided the work necessary can be accomplished under the C. W. A. or act thereon.

Article 30 To see if the town will vote to raise and appropriate a sum of money to make such repairs to the fire escape or other exits to the Farms School building as requested by the Department of Public Safety, or pass any vote or votes in relation thereto.

Article 31 To see if the town will vote to raise and appropriate a sum of money to supply its Constables with insigna, arms and necessary equipment, or pass any vote or votes in relation thereto.

Article 32 To see if the town will raise and appropriate any sum of money for the purchase of a check writer for the use of the Town Treasurer or act thereon.

Article 33 To see if the town will raise and appropriate any sum of money to co-operate with the State or County in building a bridge on Warwick Road under the provisions of Chapter 90 of the General Laws or pass any vote or votes in relation thereto.

Article 34 To see what action, if any, that the town will take in the matter of replacing its depleted trust funds, or to pass any vote or votes in relation thereto.

Article 35 To see if the town will vote to discontinue the electric light in front of the residence of Merritt C. Skilton in East Northfield or pass any vote or votes in relation thereto.

Article 36 To see if the Town will adopt the act relative to the nomination of candidates for Town office by caucus as provided by Chapter 141 acts of 1932.

And you are directed to serve this Warrant posting up attested copies thereof at the Post Offices in Northfield, East Northfield, West Northfield, at the School House in District No. 6 and the store of F. V. Wood at Northfield Farms, seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting, as aforesaid.

Given under our hands this Sixteenth day of January, in the year of our Lord one thousand nine hundred and thirty-four.

FRANK H. MONTAGUE
GEORGE W. CARR
EDWARD M. MORGAN

Selectmen of Northfield

Report of Finance Committee

The Finance Committee held a meeting in the Selectmen's room January 15, 1934. A copy of the Town Warrant was before us, and the articles were carefully considered. We have placed our recommendations after some, whereas others required no comment. In a few instances we raised amounts over those of the previous year. We believe we have acted for the best interest of the Town.

FRANK W. KELLOGG, Chairman
CHARLES A. PARKER
FRANK H. MONTAGUE
MARTIN E. VORCE
ALFRED E. HOLTON
CHARLES L. GILBERT

Report of Selectmen

We submit herewith a report of the various Town Officers and Departments for the year ending December 31, 1933.

We have endeavored to keep within our appropriations but in some instances we have not been able to do so owing to unforeseen emergencies.

The heavy snows in December required an unusual outlay for snow removal and this drew heavily on our reserve fund.

There are a few small bills that were received too late to be considered in the settlement of 1933 and some where the appropriation had been exhausted.

These will be brought before you for consideration at the annual meeting.

Our cash balance is very satisfactory and the amount of these bills will not reduce it to any amount.

The town is indebted to the Historical Society for the attractive Tablet in honor of Thomas Power, Esq. that has been placed in the lobby of the Town Hall and to Mr. Sidney P. Tyler who contributed his services in the installation of same.

The expense of the Welfare Department has been heavy but has been considerably reduced by the work afforded under the C. W. A.

We recommend that the appropriations for the coming year be as small as is consistent with the best interests of the town.

FRANK H. MONTAGUE
GEORGE W. CARR
EDWARD M. MORGAN

LEON R. ALEXANDER,
Collector

Report of the Trustees

of the Dickinson Memorial Library

For the Year 1933

During the past year many editorials have appeared in both city and country newspapers expressing local appreciation of Public Libraries for the service which they have rendered their patrons during these days of unemployment. Our own library has fully used this opportunity to serve our citizens. Had its finances been adequate to the demand for new books, the service would have been far greater. It is hoped that the appropriation for the library for 1934 will be as generous as the unusual opportunity for service demands. Books upon the private shelves of our citizen will be appreciated, either as gifts or as loans. If loaned, they will be properly cared for by the Librarian and returned at the stated time to the owners. If the books are given, the Librarian will see that they secure the widest possible reading.

The trustees report the library building to be in good repair.

The trustees are asking the town to appropriate $900 for the use of the Library for the coming year.

Trustees: Mrs. Nellie M. Wood, Pres.
Mrs. Christiana C. Stockbridge
Mrs. W. H. Stanley
W. W. Coe
Allen H. Wright
Frank L. Duley, Sec.

Report of Fire Chief

During the year 1933 the Northfield Fire Department answered 36 alarms. Eighteen of these were chimney fires. There was a considerable less loss of taxable property than in 1932 We feel that this is done due to the efficiency of the new pumping outfit.

We recommend the usual appropriation of $750. be made for the coming year.

GALEN G. STEARNS
Fire Chief

Report of Community Nurse

To the Selectmen and School Committee of the Town of Northfield.

A report of my work as Community Nurse from Jan. 1st 1933 to Jan. 1st 1934 is submitted.

Nursing visits	735
Maternity visits	9
Prenatal visits	24
Child Welfare visits	127
Social Welfare visits	152
Trips to Greenfield to buy clothes for Welfare	25
Patients taken to Springfield Northampton and Greenfield Hospitals for treatments	12
Patients taken to oculist	6

(School children not counted in this group.)

A well child conference was held in the Town Hall, whereby every pre-school child could have a complete physical examination by a child specialist. There were 33 children examined at this conference.

A report of nursing service rendered in the schools is given in the report of the School Superintendent.

Respectfully submitted,

MARION E. LILLY, R. N.

Report of Cemetery Commissioners

Cemeteries have had the usual care.

At West Northfield Cemetery has been much improved by graveling the roads. At Northfield Farms the fence was finished this year.

At Central Cemetery a stone and gravel road was built about half way.

We ask for an appropriation of $150. to finish the road to be taken from the Lot Fund Act.

We ask for an appropriation of $300. for care of cemeteries for 1934.

Report of School Superintendent

To the School Committee and Citizens of the Town of Northfield:—

Herewith, I submit the annual report of the work of the School Department for the fiscal year, 1933. This is the ninth report of the present Superintendent and covers the 197th year of the Public Schools of the Town of Northfield.

PART ONE—ORGANIZATION

The unprecedented decline in every phase of human endeavor is reflected in the schools in two forms; first, a decrease in amounts of money to run the schools; accompanied by an increase in the number of pupils, particularly in the upper grades and High School. The great problem before the School Department is to maintain the morale of the schools and keep our expenditures within the appropriation.

To accomplish these results with a decrease of $4,000.00 in money appropriated required curtailment in every item of the budget. Length of school year reduced; necessary repairs postponed; salaries reduced to a minimum; much needed textbooks not purchased; only a minimum of supplies provided. Transportation, alone, is kept at its usual level. Fuel, which included wood provided by the town at low prices, was much below the usual cost. By all these curtailments, the cost of the schools was kept within the budget. A decrease in the number of pupils at the Farms Schools, enabled us to dispense with one teacher, thus reducing the net cost of salaries.

The High School building, built to accomodate about 90 pupils, registers 124 during the Fall Term. All other rooms are well filled, so that no further reduction in the number of teachers is possible. Worn-out text-books must be replaced; and supplies, which have increased a third to a half in cost, must be provided. Fuel will cost somewhat more this year than last as coal has already advanced in price and wood will cost more. The school year should be returned to the regular length.

Especially were we sorry to dispense with formal musical instruction as Miss Webster's work has been very thorough and carefully graded.

Buildings and Grounds:—With the special appropriation granted, the entrance to the West School was rebuilt and a new fire escape built at the Farms School. A roof was built over the entrance to No. 3 and panic bolts placed at the exits at the East, West and Farms Schools. Furnaces were placed in as good condition as possible. No painting was done and little besides the work required by the State Board of Public Safety was attempted. Our buildings are old, the High School excepted, and by various remodellings are somewhat of a make-shift. To make them safe has called for various changes and additions, most of which has been done. There should be panic bolts on the two large exits from the High School and on the exit doors from the upper part of the Center School. The heating plant at the Center School was never adequate and the janitor has been obliged to force the furnaces to the limit to secure a sufficient temperature to maintain school sessions during the very cold weather. One new furnace and relocation of the other is necessary this year. Two buildings should be painted. To accomplish this will require an appropriation of $800.00.

The Teachers:—The usual number of changes took place in the teaching force. Miss Grace E. Gerrish and Miss Margaret F. Mathews resigned from the High School, their places being filled by Miss Mildred E. Hunt and Mr. Charles A. Parmeter. Miss Gary at the East

School left us and her place was filled by Miss Allen, the teacher of the middle grades in the same building. Miss Muriel J. Bready took Miss Allen's room. One room at the Farms was closed and Miss Braley transferred to the West School in Miss Bridge's place, who resigned to become Principal of the Riverside School in Gill. Miss Alexander resigned to finish her Normal training and Miss Totman was transferred to No. 3. Miss Helen M. Vorce took the position vacated by Miss Totman in the Center School. Miss Parker resigned to be married and Miss Hazel E. Corkum, a graduate of Fitchburg Normal, was elected to this position.

In General:—Improvements have been made on the playground at the Center and also at the West. A beginning has been made toward a driveway at the Center by a coat of gravel on the circular driveway. This work was paid for from the Belcher Fund, and more work will be done towards finishing the driveway when more funds are available. Through the kindness of neighbors and friends, a playground has been arranged on the land of Mr. Holton, adjoining the West School grounds and apparatus made and given for the use of the pupils. All this is much appreciated by the children of the school.

In Parts 2 and 3 will be found the statistics of the schools for the fiscal year, 1933. A careful study of these figures, comparing them with the like figures of the two or three years preceding, will make clear the retrenchments made and the teaching load carried by our trained and devoted corps of teachers.

PART TWO—STATISTICAL

Columns:—1; 2; 3; and 7; need no explaining. Column 4 includes the money reimbursed the town from all reported sources. While received in the year stated, these amounts were based on the expenditures of the preceding year. Column 5 is obtained by subtracting the amount received in any year from the expenditures of the same year. Column 6 is obtained by subtracting from the amounts in Column 3 the amounts earned in that year. This gives the true cost of the schools in any given year.

Our endeavor has been to co-operate with the vote of the town meeting by reducing the cost of the schools in every way and keep within the amount voted. To accomodate, care for, instruct and develop the 450 pupils committed to our charge is a great duty and responsibility as well as privilege. No better example of the faith in the public schools and the anxiety to lay upon them the future of our country, has ever been shown than the repeal of the Eighteenth Amendment to the Federal Constitution with the statement as made by Dr. Butler, President of Columbia:—"Temperance is not a matter of law but of education." This passes to the public schools the whole question of alcohol and narcotics, their use and abuse. One more problem added to our present load.

Alone among civilized nations, the United States has restricted its educational program. All the nations of Northern and Central Europe have lengthened the school year and increased their budgets accordingly. Japan has a lower rate of illiteracy than has our country. Russia has a larger percentage of her population in school than we have. Our country, the place of origin of public education, the model for the rest of the world, can devote billions to liquor, to forestry, to public buildings, to civic improvement, but cuts its schools to a point where their efficiency is seriously impaired. There is a large increase in number of High School students, by the simple process of raising the age limit for entering industry, increase the load by passing to the schools, problems which the adult population has tried to solve and has failed to improve. We have a clear understanding of our problems and shall continue to place our ideals on the high level that has characterized our schools for many years. Our students are worthy of the best that can be afforded and we ask your thoughtful consideration of our report and recommendations.

Respectfully submitted,

LINVILLE W. ROBBINS
Superintendent of Schools

Report of School Nurse

To the School Committee and Superintendent of Schools the following report of my work in the schools of Northfield is respectfully submitted:—

As the time spent in School Nursing was so broken up the number of hours devoted is given.

Number of Hours	257
Number of class room visits	305
Number of home visits	56
Number of children given first aid	22
Number of children excluded	15

Clinic Work:—

Children taken to Greenfield for eye exam.	2
Children taken to Greenfield for removal of tonsils	5
Children taken to Greenfield for chest X-ray	9
Children taken to dentist	4

A dental clinic was held last summer and 22 children had dental work done.

One child was taken to the Shriners Hospital in Springfield for treatment.

A class in Home Nursing was taught in the High School.

A Toxin Anti-toxin Clinic was sponsored by the local Board of Health, and 36 children were made immune from diptheria.

A group of six children spent three weeks each in the Greenfield Health Camp. This is a part of the Anti-tuberculosis program.

Respectfully submitted,

MARION E. LILLY, R. N.

Report of School Physician

To the Superintendent and School Committee town of Northfield:—

I hereby submit a report of my work as school physician from January 1, 1933 to December 30, 1933.

During the past year all the schools have been comparatively free from disease of a serious nature.

During the month of November a mild epidemic of Chicken Pox occurred in the Center School, for a short time interfering with schedules.

Although Chicken Pox is classified as a minor disease of childhood, complications can and do occur and more attention should be paid to this disease on the part of the parents.

The Toxin Antitoxin Clinic held in the Town Hall in May was largely attended and results have been very satisfactory.

The large number of pre-school children who were immunized against diptheria at this clinic shows an increasing interest on the part of the parents in this work.

All the schools were examined during the months of September and October.

There was a marked improvement in posture. This we are satisfied is due to a better understanding on the part of the pupil, teaching what deformities occur when the condition is uncorrected, and encouragement on the part of parents.

There are still a few retarded pupils in our schools and this is now, and always has been, a problem in all schools.

When a child cannot keep up with his class he is sure to retard the advancement of other pupils in his class, and this is not fair to the progressive child. The cause of this retarded condition may be due to physical, mental or hereditary condition.

We are doing all we can to help these children and if the parents would talk things over with the school physician, a better understanding of these conditions would occur and the information they can give might be a factor in restoring this child to a normal life.

I wish to thank the Superintendent, School Nurse, Teachers and Parents for assistance during the past year.

Respectfully submitted

ALLEN H. WRIGHT, M. D.

Medical Examiner

Report of the Town Clerk

Vital Statistics

It is extremely important that the **Vital Statistics** record be complete and correct. If any errors or omissions are discovered the Clerk will deem it a favor to have them reported at once so that corrections may be made.

As required by Chapter 46, Section 15, General Laws of Massachusetts:

Notice is hereby given that the Town Clerk will furnish blanks for returns of births to parents, householders, physicians and registered hospital officers applying for the same.

Respectfully Submitted,

FRED H. DOOLITTLE, Town Accountant

Report of State Auditor

To the Board of Selectmen
Mr. Frank H. Montague, Chairman
Northfield, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the accounts of the town of Northfield for the year ending December 31, 1933, made in accordance with the provisions of Chapter 44, General Laws. This report is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,
THEODORE N. WADDELL
Director of Accounts

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:—

As directed by you I have made an audit of the books and accounts of the town of Northfield for the year ending December 31, 1933, and submit the following report thereon:

The financial transactions as recorded on the books of the departments receiving or disbursing money for the town were examined, checked and verified.

The surety bonds of the town clerk, treasurer, and collector for the faithful performance of their duties were examined and found to be in proper form.

The recorded receipts for licenses issued by the selectmen were checked and the payments to the treasurer were verified. It is recommended that the selectmen incorporate in the minutes of their meetings the names of all persons to whom licenses are issued, in order that the receipts from this source may be properly checked.

The books and accounts of the town accountant were examined and checked in detail. The receipts, as recorded, were compared with the treasurer's books and records, while the payments were compared with the selectmen's warrants authorizing them and with the treasurer's books. The appropriations, as entered in the ledger, were checked with the town clerk's record of town meetings, and other ledger accounts were checked with information in the departments in which the transactions originated.

An analysis of the ledger was made, and it was found that the accounts on the accountant's ledger were not in balance. It was therefore necessary to check all postings on the ledger to the books of original entry in order to locate and adjust the numerous errors in posting; and this procedure increased the length of the audit and its cost.

After the necessary adjustments were made, a trial balance was taken off, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on December 31, 1933. As may be seen from this balance sheet, the town is in excellent financial condition.

It is essential that all departments sending out bills for collection file with the town accountant a copy of all such bills in order that these accounts receivable may be set up on the ledger. In numerous cases no attention has been paid to this requirement, and records of the bills sent out by some departments were not available at the time of the audit.

It is recommended that the accountant take a trial balance of the ledger monthly, in order that possible errors may be located and corrected promptly.

The determination of the 1933 tax rate was checked and it was noted that the assessors, in computing the rate, neglected to use as estimated receipts the sum of $6600 due from the state and county for highway reimbursements, although the town, when voting appropriations for highways, appropriated the gross amount to be expended for this work, so that the reimbursements referred to should have been used as estimated receipts to be deducted from the amount to be raised by taxation in 1933.

It was found that the assessors' abatement records were incomplete and that notices of abatements grant-

ed were not given to the collector or accountant promptly. Attention is called to the provisions of Sections 23-B and 60, Chapter 59, General Laws, which read as follows:—

> Section 23-B. The assessors shall, as often as once a month, notify the auditor or similar officer in cities and towns, the town accountant, if any, otherwise the town treasurer, of the amounts of abatements of taxes ,specifying whether granted on account of assessments on property or on polls.
>
> Section 60.....The assessors shall forthwith upon making an abatement furnish the tax collector with a copy thereof.

The accounts of the town treasurer were examined and checked. The recorded receipts were compared with the records in the departments collecting money for the town, with the other sources from which payments were made into the town treasury, and with the accountant's books. The payments were checked with the treasury warrants issued by the selectmen and with the ledger accounts. The cash book additions were verified, and the cash balance was proved by a reconciliation of the bank balances with statements received from the banks and by an actual count of the cash on hand.

The securities, including savings bank books, representing the investment of trust funds in the custody of the treasurer were personally examined and listed. The income was proved and the payments verified. It was noted that interest payments have been defaulted on several securities to which attention was called in previous audit reports as not being legal investments.

The books and accounts in the tax collector's office were examined and checked. The taxes outstanding at the time of the previous examination were audited, and all subsequent commitment lists of real estate, personal, poll, old age assistance, and motor vehicle excise taxes were proved with the assessors' warrants committing the taxes for collection. The recorded collections were checked, the payments to the treasurer were verified, the abatements were checked with the assessors' abatement records, and the outstanding accounts were listed and proved with the accountant's ledger.

A verification of the outstanding accounts was obtained by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

Considerable detailed checking was required to prove the tax levies.

The financial accounts of the town clerk were examined. The receipts for dog and sporting licenses, as recorded, were checked with the records of licenses issued, and the payments to the town treasurer and to the Division of Fisheries and Game, respectively, were verified.

The record of miscellaneous license fees collected by the clerk was checked and the payments to the treasurer were verified.

The recorded receipts for town hall rentals and for rent of town property were checked with the amounts due, and the payments to the treasurer were verified.

The recorded receipts for sealing and adjusting weights and measures were checked with the records of work done, and the payments to the treasurer were compared with the treasurer's cash book.

The accounts receivable of the public welfare, school, and cemetery departments were checked, the payments to the treasurer were verified, and the outstanding accounts were listed and reconciled with the accountant's ledger accounts.

No records of the amounts due the town and billed by the forest warden were on file.

The savings bank books repersenting the investment of trust funds in the custody of the selectmen and trustees were examined and listed. The income and withdrawals from the funds were checked and verified, and the payments from the Martha W. Alexander Charity Fund in the hands of trustees were verified by an examination of cancelled checks on file.

The recorded receipts of the librarian were checked, the payments to the treasurer were verified and the cash on hand was proved.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax and departmental accounts, as well as tables showing the transactions and condition of the trust funds.

For the cooperation received from the several town officials while engaged in making the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

EDWARD H. FENTON
Chief Accountant

EHF:DBJ

RECONCILIATION OF TREASURER'S CASH

Frank W. Williams, Treasurer
